(b) An owner with a criminal record shall not operate or hold a license to operate a facility, and the department shall revoke the license of any owner operating a facility or refuse to issue a license to any owner operating a facility if it determines that such owner has a criminal record; provided, however, that an owner who holds a license to operate a facility on or before June 30, 2007, shall not have his or her license revoked prior to a hearing being held before a hearing officer pursuant to Chapter 13 of Title 50, the "Georgia Administrative Procedure Act."

(c)(1) Prior to approving any license for a new facility and periodically as established by the department by rule and regulation, the department shall require an owner to submit a records check application. The department shall establish a uniform method of obtaining an owner's records check application.

(2)(A) Unless the department contracts pursuant to subparagraph (B) of this paragraph, the department shall transmit to the GCIC the fingerprints and records search fee from each fingerprint records check application in accordance with Code Section 35-3-35.

Upon receipt thereof, the GCIC shall promptly transmit the fingerprints to the Federal Bureau of Investigation for a search of bureau records and an appropriate report and shall promptly conduct a search of its records and records to which it has access. Within ten days after receiving fingerprints acceptable to the GCIC and the fee, the GCIC shall notify the department in writing of any criminal record or if there is no such finding. After a search of Federal Bureau of Investigation records and fingerprints and upon receipt of the bureau's report, the department shall make a determination about an owner's criminal record and shall notify the owner in writing as to the department's determination as to whether the owner has or does not have a criminal record.

(B) The department may either perform criminal background checks under agreement with the GCIC or contract with the GCIC and appropriate law enforcement agencies which have access to GCIC and Federal Bureau of Investigation information to have those agencies perform for the department criminal background checks for owners. The department or the appropriate law enforcement agencies may charge reasonable fees for performing criminal background checks.

(3)(A) The department's determination regarding an owner's criminal record, or any action by the department revoking or refusing to grant a license based on such determination, shall constitute a contested case for purposes of Chapter 13 of Title 50, the "Georgia Administrative Procedure Act," except that any hearing required to be held pursuant thereto may be held reasonably expeditiously after such determination or action by the department.

(B) In a hearing held pursuant to subparagraph (A) of this paragraph or subsection (b) of this Code section, the hearing officer shall consider in mitigation the length of time since the crime was committed, the absence of additional criminal charges, the circumstances surrounding the commission of the crime, other indicia of rehabilitation, the facility's history of compliance with the regulations, and the owner's involvement with the licensed facility in arriving at a decision as to whether the criminal record requires the denial or revocation of the license to operate the facility. Where a hearing is required, at least 30 days prior to such hearing, the hearing officer shall notify the office of the prosecuting attorney who initiated the prosecution of the crime in question in order to allow the prosecutor to object to a possible determination that the conviction would not be a bar for the grant or continuation of a license as contemplated within this Code section. If objections are made, the hearing officer shall take such objections into consideration in considering the case.

(4) The GCIC, the department, any law enforcement agency, and the employees of any such entities shall not be responsible for the accuracy of information nor have any liability for defamation, invasion of privacy, negligence, or any other claim in connection with any dissemination of information or determination based thereon pursuant to this Code section.

(d) All information received from the Federal Bureau of Investigation or the GCIC shall be for the exclusive purpose of approving or denying the granting of a license to a new facility or the revision of a license of an existing facility when a new owner is proposed and shall not be released or otherwise disclosed to any other person or agency. All such information collected by the department shall be maintained by the department pursuant to laws regarding and the rules or regulations of the Federal Bureau of Investigation and the GCIC, as is applicable. Penalties for the unauthorized release or disclosure of any such information shall be as prescribed pursuant to laws regarding and rules or regulations of the Federal Bureau of Investigation and the GCIC, as is applicable.

(e) The requirements of this Code section are supplemental to any requirements for a license imposed by Article 3 of Chapter 5 of this title or Article 11 of Chapter 7 of Title 31.

(f) The department shall promulgate written rules and regulations to implement the provisions of this Code section. (Code 1981, § 49-2-14.1, enacted by Ga. L. 2007, p. 305, § 1/HB 155; Ga. L. 2008, p. 1145, § 3/HB 984; Ga. L. 2009, p. 453, § 2-1/HB 228; Ga. L. 2013, p. 524, § 3-8/HB 78; Ga. L. 2014, p. 444, § 2-13/HB 271.)

**The 2014 amendment**, effective July 1, 2014, deleted “, relating to murder and felony murder” following “Code Section

16-5-1” at the end of subparagraph (a)(2)(A).

**Cited** in Fedina v. Larichev, 322 Ga. App. 76, 744 S.E.2d 72 (2013).

**49-4-20. Drug test required for applicants and recipients of certain government benefits; penalties for violation; reapplication; confidentiality of records.**

(a) As used in this Code section, the term “established drug test” means the collection and testing of bodily fluids administered in a manner equivalent to that required by the Mandatory Guidelines for Federal Workplace Drug Testing Programs established by the United States Department of Health and Human Services or other professionally valid procedures approved by the department; provided, however, that where possible and practicable, a swab test shall be used in lieu of a urinalysis.

(b) The department shall adopt rules and regulations for an established drug test that includes the following:

(1) Which illegal drugs will be the subject of testing;

(2) Methods for assuring minimal privacy intrusions during collection of body fluid specimens for such testing;

(3) Methods for assuring proper storage, transportation, and handling of such specimens in order to ensure the integrity of the testing process;

(4) The identity of those persons entitled to the results of such tests and methods for ensuring that only authorized persons are given access to such results;

(5) A list of laboratories qualified to conduct established drug tests;

(6) A list of approved substance abuse treatment providers;

(7) Procedures for persons undergoing drug testing prior to the collection of body fluid specimens for such testing, so as to provide information regarding the use of any drug pursuant to a medical prescription or as otherwise authorized by law which may affect the results of such test; and

(8) A requirement that any applicant who demonstrates proof of active and current Medicaid benefits shall pay a drug screening application fee of no more than \$17.00, and no authorized test examiner shall conduct a drug test if an applicant demonstrates active and current Medicaid benefits unless the applicant presents a receipt proving that he or she has paid the required drug screening application fee. Eligible applicants who do not have active and current Medicaid benefits shall be responsible for paying the full cost of administering the drug test upon presentation to an authorized examiner.

(c)(1) The department shall require a drug test consistent with subsection (b) of this Code section to screen an applicant or recipient of food stamps at any time a reasonable suspicion exists that such applicant or recipient is using an illegal drug. The department may use any information obtained by the department to determine whether such reasonable suspicion exists, including, but not limited to:

(A) An applicant's or recipient's demeanor;

(B) Missed appointments and arrest or other police records;

(C) Previous employment or application for employment in an occupation or industry that regularly conducts drug screening; and

(D) Termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) The cost of drug testing shall be the responsibility of the individual tested, provided that the individual does not submit proof of active and current Medicaid benefits to subsidize the cost of such drug testing pursuant to paragraph (8) of subsection (b) of this Code section. No assistance payment shall be delayed because of the

requirements of this Code section, and any payments made prior to the department's receipt of a test result showing a failure shall be recoverable.

(d) Any recipient of food stamps who tests positive for controlled substances as a result of a drug test required under this Code section shall be ineligible to receive food stamps as follows:

(1) For a first positive result, the recipient shall be ineligible for food stamps for one month and until he or she tests negative in a retest;

(2) For a second positive result, the recipient shall be ineligible for food stamps for three months and until he or she tests negative in a retest; and

(3) For a third and each subsequent positive result, the recipient shall be ineligible for food stamps for one year and until he or she tests negative in a retest unless the individual meets the requirements of subsection (f) of this Code section.

(e) The department shall:

(1) Provide notice of possible drug testing based on reasonable suspicion to each individual at the time of application. Dependent children under the age of 18 shall be exempt from the drug testing requirement;

(2) Advise each individual to be tested, before the test is conducted, that he or she may, but is not required to, advise the agent administering the test of any prescription or over the counter medication he or she is taking;

(3) Require each individual to be tested to sign a written acknowledgment that he or she has received and understands the notice and advice provided under paragraphs (1) and (2) of this subsection;

(4) Assure each individual being tested a reasonable degree of dignity while producing and submitting a sample for drug testing, consistent with the state's need to ensure the reliability of the sample;

(5) Specify circumstances under which an individual who fails a drug test has the right to take one or more additional tests;

(6) Inform an individual who tests positive for a controlled substance and is deemed ineligible for food stamps for one year pursuant to paragraph (3) of subsection (d) of this Code section that the individual may reapply for food stamps six months after the date of the positive drug test if he or she meets the requirements of subsection (f) of this Code section; and

(7) Provide any individual who tests positive with a list of substance abuse treatment providers approved by the department which are available in the area in which he or she resides. Neither the department nor the state shall be responsible for providing or paying for substance abuse treatment.

(f) An individual who tests positive for an illegal drug and is denied food stamps for one year may reapply for food stamps after six months if the individual can document the successful completion of a substance abuse treatment program offered by a provider approved by the department. The cost of any drug testing provided under this Code section and substance abuse treatment shall be the responsibility of the individual being tested and receiving treatment. An individual who fails a drug test administered pursuant to subsection (c) of this Code section may reapply for food stamps under this subsection only once.

(g) If a parent is deemed ineligible for food stamps as a result of failing a drug test conducted under this Code section, the parent may choose to designate another individual to receive food stamps for the parent's minor child. The designated individual must be an immediate family member or, if an immediate family member is not available or the family member declines the option, another individual approved by the department. The designated individual shall be subject to possible drug testing based on a reasonable suspicion. If the designated individual tests positive for controlled substances, he or she shall be ineligible to receive benefits on behalf of the child.

(h) The results of any drug test performed according to this Code section shall not be subject to disclosure under Article 4 of Chapter 18 of Title 50, relating to inspection of public records. Such results shall not be used as a part of a criminal investigation or criminal prosecution. Such results shall not be used in a civil action or otherwise disclosed to any person or entity without the express written consent of the person tested or his or her heirs or legal representative. All such records shall be destroyed and deleted five years after the date of the test.

(i) No testing shall be required by the provisions of this Code section for any person whom the department determines is significantly hindered, because of a physical or mental handicap or developmental disability, from doing so or for any person enrolled in an enhanced primary care case management program operated by the Department of Community Health, Division of Medical Assistance to serve frail elderly and disabled beneficiaries to improve the health outcomes of persons with chronic health conditions by linking primary medical care with home and community based services. In addition, no testing shall be required by the provisions of this Code section for any individuals receiving or on a waiting list for long-term services and supports through a non-Medicaid home and community based services program

or for any individual residing in a facility such as a nursing home, personal care home, assisted living community, intermediate care facility for the intellectually or developmentally disabled, community living arrangement, or host home.

(j) The department shall adopt rules to implement this Code section. (Code 1981, § 49-4-20, enacted by Ga. L. 2014, p. 844, § 1/HB 772.)

**Effective date.** — This Code section became effective July 1, 2014.

**Cross references.** — Drug-free workplace programs, § 34-9-410 et seq.

#### **49-4-21. (Effective January 1, 2016) Photo requirement on electronic benefits transfer cards for food stamps.**

(a) The department shall require that all electronic benefits transfer cards which include food stamp benefits contain a photograph of one or more members of a household who are authorized to use such food stamp benefits. The department is authorized to promulgate regulations necessary to implement the provisions of this Code section.

(b) This Code section shall become effective on January 1, 2016. (Code 1981, § 49-4-21, enacted by Ga. L. 2014, p. 844, § 1/HB 772.)

**Effective date.** — This Code section becomes effective January 1, 2016.

### **ARTICLE 7**

#### **MEDICAL ASSISTANCE GENERALLY**

#### **49-4-142.2. Expansion of Medicaid eligibility through an increase in the income threshold.**

On and after July 1, 2014, neither the department, the board, nor any other representative of the state shall expand Medicaid eligibility under this article through an increase in the income threshold without prior legislative approval; provided, however, that this shall not apply to any increase resulting from a cost-of-living increase in the federal poverty level. The legislative approval required under this Code section shall be by Act of the General Assembly or the adoption of a joint resolution of the General Assembly. (Code 1981, § 49-4-142.2, enacted by Ga. L. 2014, p. 293, § 2/HB 990.)

**Effective date.** — This Code section became effective July 1, 2014.

**Code Commission notes.** — Pursuant to Code Section 28-9-5, in 2014, “July 1, 2014” was substituted for “the effective date of this Code section” at the beginning of the Code section.

**Editor's notes.** — Ga. L. 2014, p. 293, § 2/HB 990, not codified by the General Assembly, provides that: “WHEREAS, the General Assembly is constitutionally mandated to balance the Georgia state budget through the annual appropriations process; and

“WHEREAS, the Medicaid program comprises one of the largest expenditures of state funds in the annual budget; and

“WHEREAS, any decision to increase the income threshold for eligibility for the Medicaid entitlement program in Georgia must be carefully considered within the context of the state’s responsibility to fund other critical state services, including education, infrastructure, and public safety; and

“WHEREAS, Governor Nathan Deal has demonstrated fiscal responsibility throughout his first term in office; and

“WHEREAS, Governor Deal has recently declined to expand Medicaid eligibility through an increase in the income threshold in Georgia’s Medicaid program despite efforts by the federal government to compel states to expand this entitlement program through provisions of the Affordable Care Act; and

“WHEREAS, expanding Medicaid eligibility by increasing the income threshold for the Medicaid entitlement program would dramatically increase the number

of Georgians receiving public assistance that otherwise do not qualify for Medicaid benefits by meeting low income program requirements for aged, blind, and disabled individuals; for families or children age 18 and under; for aged, blind, and disabled individuals receiving nursing home care; for individuals receiving hospice care; for pregnant women; or for individuals with breast or cervical cancer; or by meeting other program requirements for children in foster care or adopted from foster care or for children with disabilities receiving services under a federal Deeming waiver; and

“WHEREAS, in support of Governor Deal’s stance against this effort to oblige states to expand the income threshold for Medicaid benefits and, in an effort to assure any similar efforts by the federal government are seriously evaluated in the future, the General Assembly determines it is essential that a potential expansion of eligibility for Medicaid be thoroughly debated and voted upon by the legislature.”

#### **49-4-146.1. Unlawful acts; violations and penalties; recovery of excess amounts; termination and reinstatement of providers; duty of department to identify and investigate violations; notifications; authorization to obtain income eligibility verification.**

##### **JUDICIAL DECISIONS**

**Statute not vague.** — O.C.G.A. § 49-4-146.1(b)(2), as applied, was not unconstitutionally vague as the procedures for which one would not be entitled to payment through the program were listed

in the Medicaid manual, which, in conjunction with the statute, provided the defendant with appropriate notice as required by law. *Malloy v. State*, 293 Ga. 350, 744 S.E.2d 778 (2013).

#### **ARTICLE 7B**

#### **FALSE MEDICAID CLAIMS**

#### **49-4-168.1. Civil penalties for false or fraudulent Medicaid claims.**

(a) Any person who:

(1) Knowingly presents or causes to be presented to the Georgia Medicaid program a false or fraudulent claim for payment or approval;

- (2) Knowingly makes, uses, or causes to be made or used a false record or statement material to a false or fraudulent claim;
- (3) Conspires to commit a violation of paragraph (1), (2), (4), (5), (6), or (7) of this subsection;
- (4) Has possession, custody, or control of property or money used or to be used by the Georgia Medicaid program and knowingly delivers, or causes to be delivered, less than all of such property or money;
- (5) Is authorized to make or deliver a document certifying receipt of property used, or to be used, by the Georgia Medicaid program and, intending to defraud the Georgia Medicaid program, makes or delivers the receipt without completely knowing that the information on the receipt is true;
- (6) Knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the Georgia Medicaid program who lawfully may not sell or pledge the property; or
- (7) Knowingly makes, uses, or causes to be made or used a false record or statement material to an obligation to pay or transmit property or money to the Georgia Medicaid program, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit property or money to the Georgia Medicaid program,

shall be liable to the State of Georgia for a civil penalty of not less than \$5,500.00 and not more than \$11,000.00 for each false or fraudulent claim, plus three times the amount of damages which the Georgia Medicaid program sustains because of the act of such person.

(b) The provisions of subsection (a) of this Code section notwithstanding, if the court finds that:

- (1) The person committing the violation of this subsection furnished officials of the Georgia Medicaid program with all information known to such person about the violation within 30 days after the date on which the defendant first obtained the information;
- (2) Such person fully cooperated with any government investigation of such violation; and
- (3) At the time such person furnished the Georgia Medicaid program with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this article with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation,

the court may assess not more than two times the amount of the actual damages which the Georgia Medicaid program sustained because of the act of such person.

(c) A person violating any provision of subsection (a) of this Code section shall also be liable to this state for all costs of any civil action brought to recover the damages and penalties provided under this article.

(d) As used in this Code section, the term “Georgia Medicaid program” includes any contractor, subcontractor, or agent for the Georgia Medicaid program, including, but not limited to, a managed care program operated, funded, or reimbursed by the Georgia Medicaid program. (Code 1981, § 49-4-168.1, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2012, p. 127, § 2-1/HB 822; Ga. L. 2014, p. 77, § 1/HB 973.)

**The 2014 amendment**, effective April 15, 2014, substituted the present provisions of paragraph (a)(3) for the former provisions, which read: “Conspires to de-

fraud the Georgia Medicaid program by getting a false or fraudulent claim allowed or paid” and added subsection (d).

#### **49-4-168.2. Role of Attorney General in pursuing cases; civil actions by private persons; special procedures for civil actions by private persons; limitation on participation; stay of discovery; receipt of proceeds.**

(a) The Attorney General shall be authorized to investigate suspected, alleged, and reported violations of this article. If the Attorney General finds that a person has violated or is violating this article, then the Attorney General may bring a civil action against such person under this article.

(b) Subject to the exclusions set forth in this Code section, a civil action under this article may also be brought by a private person. A civil action shall be brought in the name of the State of Georgia. The civil action may be dismissed only if the court and the Attorney General give written consent to the dismissal and state the reasons for consenting to such dismissal.

(c) Where a private person brings a civil action under this article, such person shall follow the following special procedures:

(1) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Attorney General;

(2) The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The purpose of the period under seal shall be to allow the Attorney General to investigate the allegations of the complaint. The Attorney General may elect to intervene and proceed with the civil action within 60 days after it receives both the complaint and the material evidence and information;

(3) The Attorney General may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2) of this subsection. Any such motions may be supported by affidavits or other submissions in camera;

(4) Before the expiration of the 60 day period or any extensions obtained under paragraph (3) of this subsection, the Attorney General shall:

(A) Proceed with the civil action, in which case the civil action shall be conducted by the Attorney General; or

(B) Notify the court that it declines to take over the civil action, in which case the person bringing the civil action shall have the right to proceed with the civil action;

(5) The defendant shall not be required to respond to any complaint filed under this Code section until 30 days after the complaint is unsealed and served upon the defendant; and

(6) When a person brings a civil action under this subsection, no person other than the Attorney General may intervene or bring a related civil action based on the facts underlying the pending civil action.

(d)(1) If the Attorney General elects to intervene and proceed with the civil action, he or she shall have the primary responsibility for prosecuting the civil action and shall not be bound by an act of the person bringing such civil action. Such person shall have the right to continue as a party to the civil action, subject to the limitations set forth in this subsection.

(2) The Attorney General may dismiss the civil action, notwithstanding the objections of the person initiating the civil action, if the person has been notified by the Attorney General of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(3) The Attorney General may settle the civil action with the defendant notwithstanding the objections of the person initiating the civil action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(4) Upon a showing by the Attorney General that unrestricted participation during the course of the litigation by the person initiating the civil action would interfere with or unduly delay the Attorney General's litigation of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

- (A) Limiting the number of witnesses the person may call;
- (B) Limiting the length of the testimony of such witnesses;
- (C) Limiting the person's cross-examination of witnesses; or
- (D) Otherwise limiting the participation by the person in the litigation.

(e) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the civil action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

(f) If the Attorney General elects not to proceed with the civil action, the person who initiated the civil action shall have the right to conduct the civil action. If the Attorney General so requests, he or she shall be served with copies of all pleadings filed in the civil action and shall be supplied with copies of all deposition transcripts. When a person proceeds with the civil action, the court may nevertheless permit the Attorney General to intervene at a later date for any purpose, including, but not limited to, dismissal of the civil action notwithstanding the objections of the person initiating the civil action if such person has been notified by the Attorney General of the filing of such motion and the court has provided such person with an opportunity for a hearing on such motion.

(g) Whether or not the Attorney General proceeds with the civil action, upon a showing by the Attorney General that certain actions of discovery by the person initiating the civil action would interfere with the Attorney General's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60 day period upon a further showing in camera that the Attorney General has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(h) Notwithstanding subsections (b) and (c) of this Code section, the Attorney General may elect to pursue this state's claim through any alternate remedy available to the Attorney General, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the civil action shall have the same rights in such proceeding as such person would have had if the civil action had continued under this Code section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties

to a civil action under this Code section. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the State of Georgia, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(i)(1) If the Attorney General proceeds with a civil action brought by a private person under subsection (b) of this Code section, such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the civil action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the civil action. Where the civil action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the civil action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Attorney General hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing such civil action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. The remaining proceeds shall be payable to the State of Georgia, by and through the Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the Attorney General does not proceed with a civil action under this Code section, the person bringing the civil action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. Such amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the civil action or settlement and shall be paid out of such proceeds. The remaining proceeds shall be payable to the State of Georgia, by and through the Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Attorney General proceeds with the civil action, if the court finds that the civil action was brought by a person

who planned and initiated the violation of Code Section 49-4-168.1 upon which the civil action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the civil action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the civil action is convicted of criminal conduct arising from his or her role in the violation of Code Section 49-4-168.1, such person shall be dismissed from the civil action and shall not receive any share of the proceeds of the civil action. Such dismissal shall not prejudice the right of the State of Georgia to continue the civil action, represented by the Attorney General.

(4) If the Attorney General does not proceed with the civil action and the person bringing the civil action conducts the civil action, the court may award to the defendant its reasonable attorney's fees and expenses against the person bringing the civil action if the defendant prevails in the civil action and the court finds that the claim of the person bringing the civil action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(5) The State of Georgia shall not be liable for expenses which a private person incurs in bringing a civil action under this article.

(j) In no event may a person bring a civil action under this article which is based upon allegations or transactions which are the subject of a civil or administrative proceeding to which the State of Georgia is already party.

(k) No civil action may be brought under this article with respect to any claim relating to the assessment, payment, nonpayment, refund, or collection of taxes pursuant to any provisions of Title 48.

(l)(1) As used in this subsection, the term "original source" means an individual who:

(A) Prior to public disclosure, has voluntarily disclosed to the Attorney General the information on which allegations or transactions in a claim are based; or

(B) Has knowledge that is independent of and materially adds to publicly disclosed allegations or transactions and who has voluntarily provided such information to the Attorney General before filing a civil action under this Code section.

(2) The court shall dismiss a civil action or claim under this Code section, unless opposed by the Attorney General, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed:

- (A) In any criminal, civil, or administrative hearing in which the State of Georgia or its employee, agent, or contractor is a party;
- (B) In a legislative or other Georgia report, hearing, audit, or investigation; or
- (C) From the news media,

unless the civil action is brought by the Attorney General or the person bringing the civil action is an original source of the information. (Code 1981, § 49-4-168.2, enacted by Ga. L. 2007, p. 355, § 3/HB 551; Ga. L. 2009, p. 8, § 49/SB 46; Ga. L. 2012, p. 127, § 2-1/HB 822; Ga. L. 2013, p. 141, § 49/HB 79; Ga. L. 2014, p. 77, § 2/HB 973.)

**The 2014 amendment**, effective April 15, 2014, substituted “legislative or other Georgia” for “congressional, legislative, or

other state or federal” in subparagraph (I)(2)(B).

## ARTICLE 9

### TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

#### **49-4-193. Drug test required for certain TANF applicants or recipients; ineligibility for benefits based upon positive tests; drug treatment; impact of drug use by parents on children; confidentiality; exceptions.**

(a) As used in this Code section, the term “established drug test” means the collection and testing of bodily fluids administered in a manner equivalent to that required by the Mandatory Guidelines for Federal Workplace Drug Testing Programs established by the United States Department of Health and Human Services or other professionally valid procedures approved by the department; provided, however, that where possible and practicable, a swab test shall be used in lieu of a urinalysis.

(b) The department shall adopt rules and regulations for an established drug test which shall include the following:

- (1) Which illegal drugs will be the subject of testing;
- (2) Methods for assuring minimal privacy intrusions during collection of body fluid specimens for such testing;
- (3) Methods for assuring proper storage, transportation, and handling of such specimens in order to ensure the integrity of the testing process;
- (4) The identity of those persons entitled to the results of such tests and methods for ensuring that only authorized persons are given access to such results;

- (5) A list of laboratories qualified to conduct established drug tests;
- (6) A list of approved substance abuse treatment providers;
- (7) Procedures for persons undergoing drug testing, prior to the collection of body fluid specimens for such testing, to provide information regarding use of any drug pursuant to a medical prescription or as otherwise authorized by law which may affect the results of such test; and
- (8) A requirement that any applicant who demonstrates proof of active and current Medicaid benefits shall pay a drug screening application fee of no more than \$17.00, and no authorized test examiner shall conduct a drug test if an applicant demonstrates active and current Medicaid benefits unless the applicant presents a receipt proving that he or she has paid the required drug screening application fee. Eligible applicants who do not have active and current Medicaid benefits shall be responsible for paying the full cost of administering the drug test upon presentation to an authorized examiner.

(c)(1) The department shall require a drug test consistent with subsection (b) of this Code section to screen an applicant or recipient at any time a reasonable suspicion exists that such applicant or recipient is using an illegal drug. The department may use any information obtained by the department to determine whether such reasonable suspicion exists, including, but not limited to:

- (A) An applicant's or recipient's demeanor;
- (B) Missed appointments and arrest or other police records;
- (C) Previous employment or application for employment in an occupation or industry that regularly conducts drug screening; and
- (D) Termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) The cost of drug testing shall be the responsibility of the individual tested, provided that the individual does not submit proof of active and current Medicaid benefits to subsidize the cost of such drug testing pursuant to paragraph (8) of subsection (b) of this Code section. No assistance payment shall be delayed because of the requirements of this Code section, and any payments made prior to the department's receipt of a test result showing a failure shall be recoverable.

(d) Any recipient of cash assistance under this article who tests positive for controlled substances as a result of a drug test required

under this Code section shall be ineligible to receive TANF benefits as follows:

- (1) For a first positive result, the recipient shall be ineligible for TANF benefits for one month and until he or she tests negative in a retest;
- (2) For a second positive result, the recipient shall be ineligible for TANF benefits for three months and until he or she tests negative in a retest; and
- (3) For a third and each subsequent positive result, the recipient shall be ineligible for TANF benefits for one year and until he or she tests negative in a retest unless the individual meets the requirements of subsection (f) of this Code section.

(e) The department shall:

- (1) Provide notice of possible drug testing based on reasonable suspicion to each individual at the time of application. Dependent children under the age of 18 are exempt from the drug testing requirement;
- (2) Advise each individual to be tested, before the test is conducted, that he or she may, but is not required to, advise the agent administering the test of any prescription or over the counter medication he or she is taking;
- (3) Require each individual to be tested to sign a written acknowledgment that he or she has received and understood the notice and advice provided under paragraphs (1) and (2) of this subsection;
- (4) Assure each individual being tested a reasonable degree of dignity while producing and submitting a sample for drug testing, consistent with the state's need to ensure the reliability of the sample;
- (5) Specify circumstances under which an individual who fails a drug test has the right to take one or more additional tests;
- (6) Inform an individual who tests positive for a controlled substance and is deemed ineligible for TANF benefits for one year pursuant to paragraph (3) of subsection (d) of this Code section that the individual may reapply for those benefits six months after the date of the positive drug test if he or she meets the requirements of subsection (f) of this Code section; and
- (7) Provide any individual who tests positive with a list of substance abuse treatment providers approved by the department which are available in the area in which he or she resides. Neither the department nor the state shall be responsible for providing or paying for substance abuse treatment.

(f) An individual who tests positive for an illegal drug and is denied TANF benefits for one year may reapply for TANF benefits after six months if the individual can document the successful completion of a substance abuse treatment program offered by a provider approved by the department. The cost of any drug testing provided under this Code section and substance abuse treatment shall be the responsibility of the individual being tested and receiving treatment. An individual who fails the drug test required under subsection (c) of this Code section may reapply for TANF benefits under this subsection only once.

(g) If a parent is deemed ineligible for TANF benefits as a result of failing a drug test conducted under this Code section:

(1) The dependent child's eligibility for TANF benefits shall not be affected;

(2) An appropriate protective payee shall be designated to receive benefits on behalf of the child; and

(3) The parent may choose to designate another individual to receive benefits for the parent's minor child. The designated individual must be an immediate family member or, if an immediate family member is not available or the family member declines the option, another individual approved by the department. The designated individual shall be subject to possible drug testing based on a reasonable suspicion. If the designated individual tests positive for controlled substances, he or she shall be ineligible to receive benefits on behalf of the child.

(h) The results of any drug test done according to this Code section shall not be subject to disclosure under Article 4 of Chapter 18 of Title 50, relating to inspection of public records. Such results shall not be used as a part of a criminal investigation or criminal prosecution. Such results shall not be used in a civil action or otherwise disclosed to any person or entity without the express written consent of the person tested or his or her heirs or legal representative. All such records shall be destroyed and deleted five years after the date of the test.

(i) No testing shall be required by the provisions of this Code section for any person whom the department determines is significantly hindered, because of a physical or mental handicap or developmental disability, from doing so or for any person enrolled in an enhanced primary care case management program operated by the Department of Community Health, Division of Medical Assistance to serve frail elderly and disabled beneficiaries to improve the health outcomes of persons with chronic health conditions by linking primary medical care with home and community based services. In addition, no testing shall be required by the provisions of this Code section for any individuals receiving or on a waiting list for long-term services and supports

through a non-Medicaid home and community based services program or for any individual residing in a facility such as a nursing home, personal care home, assisted living community, intermediate care facility for the mentally retarded, community living arrangement, or host home.

(j) The department shall adopt rules to implement this Code section. (Code 1981, § 49-4-193, enacted by Ga. L. 2012, p. 91, § 3/HB 861; Ga. L. 2014, p. 844, § 2/HB 772; Ga. L. 2014, p. 866, § 49/SB 340.)

**The 2014 amendments.** — The first 2014 amendment, effective July 1, 2014, substituted “established by the United States Department of Health and Human Services” for “(53 C.F.R. 11979, et seq., as amended)” in the middle of subsection (a); rewrote subsections (b), (c), and (e); deleted the former second and third sentences of subsection (f), which read: “An individual who has met the requirements of this subsection and reapplies for TANF benefits shall also pass an initial drug test and meet the requirements of subsection (c) of this Code section. Any drug test conducted while the individual is undergoing substance abuse treatment shall

meet the requirements of subsection (b) of this Code section.”; and substituted “shall be subject to possible drug testing based on a reasonable suspicion” for “shall also undergo drug testing before being approved to receive benefits on behalf of the child” in the third sentence of paragraph (g)(3). The second 2014 amendment, effective April 29, 2014, part of an Act to revise, modernize, and correct the Code, substituted “Mandatory Guidelines for Federal Workplace Drug Testing Programs” for “Mandatory Guidelines for Federal Workplace Drug Testing Programs (53 C.F.R. 11979, et seq., as amended)” in subsection (a).

Thereafter, all succeeding appointments shall be for five-year terms from the expiration of the previous term.

(3) Vacancies in office shall be filled by appointment by the Governor in the same manner as the appointment to the position on the board which becomes vacant, and the appointment shall be submitted to the Senate for confirmation at the next session of the General Assembly. An appointment to fill a vacancy, other than by expiration of a term of office, shall be for the balance of the unexpired term.

(4) There shall be a chairperson of the board, elected by and from the membership of the board, who shall be the presiding officer of the board.

(1) Provide leadership in developing programs to successfully rehabilitate delinquent children committed to the state's custody;

(2) Provide technical assistance to private and public entities for prevention programs for children at risk;

(3) Ensure that detention assessment, risk assessment, and risk and needs assessment instruments that are utilized by intake personnel and courts are developed in consultation with the Governor's Office for Children and Families and the Council of Juvenile Court Judges and ensure that such instruments are validated at least every five years;

(4) Adopt rules and regulations governing the management and treatment of children committed to the department to ensure that evidence based programs or practices, including the use of a risk and

needs assessment and any other method the board deems appropriate, guide decisions related to placing a committed child in a facility or into the community, preparing a child's release into the community, and managing children probationers in the community; and

(5) Require the department to collect and analyze data and performance outcomes, including, but not limited to, data collected and maintained pursuant to subsection (n) of Code Section 49-4A-8 and prepare an annual report regarding such information which shall be submitted to the Governor, the Lieutenant Governor, the Speaker of the House of Representatives, and the chairpersons of the House Committee on Judiciary Non-civil and the Senate Judiciary Committee.

(c) The board shall perform duties required of it by this chapter and shall, in addition thereto, be responsible for promulgation of all rules and regulations not in conflict with this chapter that may be necessary and appropriate to the administration of the department, to the accomplishment of the purposes of this chapter, and to the performance of the duties and functions of the department as set forth in this chapter.

(d) The board shall establish rules and regulations for the government, operation, and maintenance of all training schools, facilities, and institutions now or hereafter under the jurisdiction and control of the department, bearing in mind at all times that the purpose for existence and operation of such schools, facilities, and institutions and all activities carried on therein shall be to carry out the rehabilitative program provided for by this chapter and to restore and build up the self-respect and self-reliance of children and youths lodged therein so as to qualify and equip them for good citizenship and honorable employment. (Code 1981, § 49-4A-2, enacted by Ga. L. 1992, p. 1983, § 24; Ga. L. 1997, p. 1453, § 5; Ga. L. 2013, p. 294, § 3-2/HB 242; Ga. L. 2014, p. 866, § 49/SB 340.)

**The 2014 amendment**, effective April 29, 2014, part of an Act to revise, modernize, and correct the Code, substituted

“Senate Judiciary Committee” for “Senate State Judiciary Committee” at the end of paragraph (b)(5).

## **49-4A-7. Powers and duties of department.**

(a) The department shall be authorized to:

(1) Accept for detention in a juvenile detention facility any child who is committed to the department under Article 6 of Chapter 11 of Title 15;

(2) Provide probation and other court services for children pursuant to a request from a court under Article 6 of Chapter 11 of Title 15;

(3) Provide casework services and care or payment of maintenance costs for children who have run away from their home communities within this state or from their home communities in this state to another state or from their home communities in another state to this state; pay the costs of returning such runaway children to their home communities; and provide such services, care, or costs for runaway children as may be required under Chapter 4B of Title 49;

(4) Enter into contracts and cooperative agreements with federal, state, county, and municipal governments and their agencies and departments; enter into contracts with public and private institutions and agencies of this and other states; enter into leases with private vendors selected to operate programs on behalf of the department which shall run concurrently with the department's service contracts; provided, however, that any such lease shall provide that if the property which is the subject of the lease is sold and conveyed during the term of the lease, such lease shall expire by operation of law 90 days after the closing of such sale and conveyance; and enter into contracts with individuals, as may be necessary or desirable in effectuating the purposes of this chapter; and

(5) Solicit and accept donations, contributions, and gifts and receive, hold, and use grants, devises, and bequests of real, personal, and mixed property on behalf of the state to enable the department to carry out its functions and purposes.

(b) When given legal custody over a child for detention in a juvenile detention facility under court order under Article 6 of Chapter 11 of Title 15, the department shall have:

(1) The right of physical possession of such child;

(2) The right and duty to protect, train, and discipline such child;

(3) The responsibility to provide such child with food, clothing, shelter, and education;

(4) The right to determine in which facility such child shall live and to transfer such child as provided in subsection (b) of Code Section 42-5-52; and

(5) The right and duty to provide or obtain for such child medical, hospital, psychiatric, surgical, or dental care or services as may be considered appropriate and necessary by competent medical authority without securing prior consent of parents or legal guardians.

(c) The board may authorize the commissioner to enter into contracts and agreements provided for in this Code section subject to the approval of the board or may, through appropriate action of the board, delegate such authority to the commissioner; provided, however, that

any contract or agreement that provides services to delinquent children shall be a performance based contract that includes financial incentives or consequences based on the results achieved by the contractor as measured by output, quality, or outcome measures. (Code 1981, § 49-4A-7, enacted by Ga. L. 1992, p. 1983, § 24; Ga. L. 1994, p. 304, § 1; Ga. L. 1995, p. 955, § 1; Ga. L. 1997, p. 1414, § 1; Ga. L. 1998, p. 128, § 49; Ga. L. 2013, p. 294, § 3-7/HB 242; Ga. L. 2014, p. 763, § 3-2/HB 898.)

The 2014 amendment, effective July 1, 2014, substituted "Chapter 4B of Title 49" for "Chapter 3 of Title 39" at the end of paragraph (a)(3).

**49-4A-8. Commitment of delinquent children; procedure; cost; return of mentally ill or developmentally disabled children; escapees; discharge; evidence of commitment; records; restitution.**

(a) When the court does not release a delinquent child unconditionally or place him or her on probation or in a suitable public or private institution or agency, the court may commit such child to the department as provided in Article 6 of Chapter 11 of Title 15; provided, however, that no delinquent child shall be committed to the department until the department certifies to the Governor that it has facilities available and personnel ready to assume responsibility for delinquent children.

(b) When the court commits a delinquent child to the department, it may order such child conveyed forthwith to any facility designated by the department or direct that such child be left at liberty until otherwise ordered by the department under such conditions as will ensure his or her availability and submission to any orders of the department. If such delinquent child is ordered conveyed to the department, the court shall assign an officer or other suitable person to convey such child to any facility designated by the department, provided that the person assigned to convey a girl must be female. The cost of conveying such child committed to the department to the facility designated by the department shall be paid by the county from which such child is committed, provided that no compensation shall be allowed beyond the actual and necessary expenses of the party conveying and the child conveyed.

(c) When a court commits a delinquent child to the department, the court shall at once electronically submit a certified copy of the order of commitment to the department, and the court, the probation officer, the prosecuting and police authorities, the school authorities, and other public officials shall make available to the department all pertinent information in their possession pertaining to the case, including, but

not limited to, any predisposition investigation report as set forth in Code Section 15-11-590 and any risk assessment. Such reports shall, if the department so requests, be made upon forms furnished by the department or according to an outline provided by the department.

(d)(1) When a delinquent child has been committed to the department, the department shall, under rules and regulations established by the board, forthwith examine and study such child and investigate all pertinent circumstances of his or her life and behavior. The department shall make periodic reexaminations of all such children within its control, except those on release under supervision of the department. Such reexaminations may be made as frequently as the department considers desirable, and every such child shall be reexamined at intervals not exceeding one year. Failure of the department to examine such a child committed to it or to reexamine him or her within one year of a previous examination shall not of itself entitle such child to discharge from control of the department but shall entitle such child to petition the committing court for an order of discharge; and the court shall discharge him or her unless the department, upon due notice, satisfies the court of the necessity of further control.

(2) The department shall keep written records of all examinations and reexaminations, of conclusions based thereon, and of all orders concerning the disposition or treatment of every delinquent child subject to its control. Records maintained by the department pertaining to a delinquent child committed to the department shall not be public records but shall be privileged records and may be disclosed by direction of the commissioner pursuant to federal law regarding disseminating juvenile criminal history records only to those persons having a legitimate interest therein; provided, however, that the commissioner shall permit the Council of Juvenile Court Judges to inspect and copy such records for the purposes of obtaining statistics on juveniles.

(e) Except as provided by subsection (e.1) of this Code section and subsection (c) or (d) of Code Section 15-11-602, when a delinquent child has been committed to the department for detention and a diagnostic study for the purpose of determining the most satisfactory plan for such child's care and treatment has been completed, the department may:

(1) Permit such child liberty under supervision and upon such conditions as the department may believe conducive to acceptable behavior;

(2) Order such child's confinement under such conditions as the department may believe best designed to serve such child's welfare and as may be in the best interest of the public;

(3) Order reconfinement or renewed release as often as conditions indicate to be desirable;

(4) Revoke or modify any order of the department affecting such child, except an order of final discharge, as often as conditions indicate to be desirable; or

(5) Discharge such child from control of the department pursuant to Code Section 15-11-32 and subsection (c) of Code Section 15-11-607 when it is satisfied that such discharge will best serve such child's welfare and the protection of the public.

(e.1)(1) When a child who has been adjudicated for the commission of a class A designated felony act or class B designated felony act as defined in Code Section 15-11-2 is released from confinement or custody of the department, it shall be the responsibility of the department to provide notice to any person who was the victim of such child's acts that such child is being released from confinement or custody.

(2) The department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide the notice required by paragraph (1) of this subsection.

(3) When a child convicted of a felony offense in a superior court is released from confinement or custody of the department, the department shall provide written notice, including the delinquent act or class A designated felony act or class B designated felony act committed, to the superintendent of the school system in which such child was enrolled or, if the information is known, the school in which such child was enrolled or plans to be enrolled.

(4) The department and employees of the department shall not be liable for damages incurred by reason of the department's failure to provide notice required by paragraph (3) of this subsection.

(f) As a means of correcting the socially harmful tendencies of a delinquent child committed to it, the department may:

(1) Require participation by such child in moral, academic, vocational, physical, and correctional training and activities, and provide such child the opportunity for religious activities where practicable in the institutions under the control and supervision of the department;

(2) Require such modes of life and conduct as may seem best adapted to fit and equip him or her for return to full liberty without danger to the public;

(3) Provide such medical, psychiatric, or casework treatment as is necessary; or

(4) Place him or her, if physically fit, in a park, maintenance camp, or forestry camp or on a ranch owned by the state or by the United States and require any child so housed to perform suitable conservation and maintenance work, provided that the children shall not be exploited and that the dominant purpose of such activities shall be to benefit and rehabilitate the children rather than to make the camps self-sustaining.

(g) When funds are available, the department may:

(1) Establish and operate places for detention and diagnosis of all delinquent children committed to it;

(2) Establish and operate additional treatment and training facilities, including parks, forestry camps, maintenance camps, ranches, and group residences necessary to classify and handle juvenile delinquents of different ages and habits and different mental and physical conditions, according to their needs; and

(3) Establish aftercare supervision to aid children given conditional release to find homes and employment and otherwise to assist them to become reestablished in the community and to lead socially acceptable lives.

(h) Whenever the department finds that any child committed to the department is mentally ill or has a developmental disability, as defined in Code Section 15-11-2, the department shall have the power to return such child to the court of original jurisdiction for appropriate disposition by that court or may, if it so desires, request the court having jurisdiction in the county in which the juvenile detention facility is located to take such action as the condition of the child may require.

(i)(1) A child who has been committed to the department for detention in a juvenile detention facility or who has been otherwise taken into custody and who has escaped therefrom or who has been placed under supervision and broken the conditions thereof may be taken into custody without a warrant by a sheriff, deputy sheriff, constable, police officer, probation officer, or any other officer of this state authorized to serve criminal process upon a written request made by an employee of the department having knowledge of the escape or of the violation of conditions of supervision. Before a child may be taken into custody for violation of the conditions of supervision, such written request shall be reviewed by the commissioner or his or her designee. If the commissioner or his or her designee finds that probable cause exists to believe that such child has violated his or her conditions of supervision, he or she may issue an order directing that such child be picked up and returned to custody.

(2) The commissioner may designate as a peace officer who is authorized to exercise the power of arrest any employee of the

department whose full-time duties include the preservation of public order, the protection of life and property, the detection of crime, or the supervision of delinquent children or children in need of services in its institutions, facilities, or programs, the supervision of delinquent children or children in need of services under intensive supervision in the community, or any employee who is a line supervisor of any such employee. The commissioner also may designate as a peace officer who is authorized to exercise the power of arrest any employee of a person or organization which contracts with the department pertaining to the management, custody, care, and control of delinquent children or children in need of services retained by the person or organization if that employee's full-time duties include the preservation of public order, the protection of life and property, the detection of crime, or the supervision of delinquent children in the department's institutions, facilities, or programs, or any employee who is a line supervisor of such employee. The commissioner may designate one or more employees of the department to investigate and apprehend children who have escaped from a juvenile detention facility or who have broken the conditions of supervision; provided, however, that the employees so designated shall only be those with primary responsibility for the security functions of such facilities or whose primary duty consists of the apprehension of youths who have escaped from such facilities or who have broken the conditions of supervision. An employee of the department so designated shall have the police power to investigate, to apprehend such children, and to arrest any person physically interfering with the proper apprehension of such children. An employee of the department so designated in the investigative section of the department shall have the power to obtain a search warrant for the purpose of locating and apprehending such children. Additionally, such employee, while on the grounds or in the buildings of the department's institutions or facilities, shall have the same law enforcement powers, including the power of arrest, as a law enforcement officer of the local government with police jurisdiction over such institutions or facilities. Such employee shall be authorized to carry weapons, upon written approval of the commissioner, notwithstanding Code Sections 16-11-126 and 16-11-129. The commissioner shall also be authorized to designate any person or organization with whom the department contracts for services pertaining to the management, custody, care, and control of delinquent children or children in need of services detained by the person or organization as a law enforcement unit under paragraph (7) of Code Section 35-8-2. Any employee or person designated under this subsection shall be considered to be a peace officer within the meaning of Chapter 8 of Title 35 and shall be certified under that chapter.

(3) For the purposes of investigation of children who have escaped from juvenile detention facilities of the department or of children who

are alleged to have broken the conditions of supervision, the department is empowered and authorized to request and receive from the Georgia Crime Information Center any information in the files of the Georgia Crime Information Center which will aid in the apprehension of such children.

(4) An employee designated pursuant to paragraph (2) of this subsection may take a child into custody without a warrant upon personal knowledge or written request of a person having knowledge of the escape or violation of conditions of supervision, or a child may be taken into custody pursuant to Code Section 15-11-501. When taking a child into custody pursuant to this paragraph, a designated employee of the department shall have the power to use all force reasonably necessary to take such child into custody.

(5) The child shall be kept in custody in a suitable place designated by the department and there detained until such child may be returned to the custody of the department.

(6) Such taking into custody shall not be termed an arrest; provided, however, that any person taking a child into custody pursuant to this subsection shall have the same immunity from civil and criminal liability as a peace officer making an arrest pursuant to a valid warrant.

(j) The department shall ensure that each child it releases under supervision or otherwise has suitable clothing, transportation to his or her home or to the county in which a suitable home or employment has been found for him or her, and such an amount of money as the rules and regulations of the board may authorize. The expenditure for clothing and for transportation and the payment of money to such child released may be made from funds for support and maintenance appropriated by the General Assembly to the department or to the institution from which such child is released or from local funds.

(k) Every child committed to the department, if not already discharged, shall be discharged from custody of the department when he or she reaches his or her twenty-first birthday.

(l) Commitment of a child to the custody of the department shall not operate to disqualify such child in any future examination, appointment, or application for public service under the government either of the state or of any political subdivision thereof.

(m) A commitment to the department shall not be received in evidence or used in any way in any proceedings in any court, except in subsequent proceedings for delinquency or being in need of services involving the same child and except in imposing sentence in any criminal proceeding against the same person.

(n)(1) The department shall conduct a continuing inquiry into the effectiveness of treatment methods it employs in seeking the rehabilitation of maladjusted children. To this end, the department shall maintain a statistical record of arrests and commitments of its wards subsequent to their discharge from the jurisdiction and control of the department and shall tabulate, analyze, and publish in print or electronically annually these data so that they may be used to evaluate the relative merits of methods of treatment. The department shall cooperate and coordinate with courts, juvenile court clerks, the Governor's Office for Children and Families, and public and private agencies in the collection of statistics and information regarding:

- (A) Juvenile delinquency;
- (B) Arrests made;
- (C) Detentions made, the offense for which such detention was authorized, and the reason for each detention;
- (D) Complaints filed;
- (E) Informations filed;
- (F) Petitions filed;
- (G) The results of complaints, informations, and petitions, including whether such filings were dismissed, diverted, or adjudicated;
- (H) Commitments to the department, the length of such commitment, and releases from the department;
- (I) The department's placement decisions for commitments;
- (J) Placement decisions to institutions, camps, or other facilities for delinquent children operated under the direction of courts or other local public authorities;
- (K) Community programs utilized and completion data for such programs;
- (L) Recidivism;
- (M) Data collected by juvenile court clerks pursuant to Code Section 15-11-64; and
- (N) Other information useful in determining the amount and causes of juvenile delinquency in this state.

(2) In order to facilitate the collection of the information required by paragraph (1) of this subsection, the department shall be authorized to inspect and copy all records of the court and law enforcement

agencies pertaining to juveniles and collect data from juvenile court clerks.

(o) When a child committed to the department is under court order to make certain restitution as a part of his or her treatment by the court, the requirement that the restitution be paid in full shall not cease with the order of commitment. The provision of the order requiring restitution shall remain in force and effect during the period of commitment, and the department is empowered to enforce such restitution requirement and to direct that payment of funds or notification of service completed be made to the clerk of the juvenile court or another employee of that court designated by the judge. **Editor's notes.** — This chapter became effective July 1, 2014.

#### 49-4B-1. Short title.

This chapter shall be known and may be cited as the “Interstate Compact for Juveniles.” (Code 1981, § 49-4B-1, enacted by Ga. L. 2014, p. 763, § 2-1/HB 898.)

**49-4B-2. Compact.**

The Governor of this state is authorized and directed to execute a compact on behalf of the State of Georgia with any of the United States legally joining therein in the form substantially as follows:

**ARTICLE I.****PURPOSE.**

The compacting states to this Interstate Compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents and status offenders who are on probation or parole and who have absconded, escaped or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime. It is the purpose of this compact, through means of joint and cooperative action among the compacting states to:

- (A) Ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state;
- (B) Ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected;
- (C) Return juveniles who have run away, absconded or escaped from supervision or control or have been accused of an offense to the state requesting their return;
- (D) Make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services;
- (E) Provide for the effective tracking and supervision of juveniles;
- (F) Equitably allocate the costs, benefits and obligations of the compacting states;
- (G) Establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders;

- (H) Insure immediate notice to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;
- (I) Establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this compact;
- (J) Establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of Compact activities to heads of state executive, judicial, and legislative branches and juvenile and criminal justice administrators;
- (K) Monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance;
- (L) Coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and
- (M) Coordinate the implementation and operation of the compact with the Interstate Compact on the Placement of Children, the Interstate Compact for Adult Offender Supervision and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purposes and policies of the compact.

#### INTERSTATE COMMISSION FOR JUVENILES.

(A) The compacting states hereby create the "Interstate Commission for Juveniles." The commission shall be a body corporate and joint agency of the compacting states. The commission shall have all the responsibilities, powers and duties set forth herein, and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states in accordance with the terms of this compact.

(B) The Interstate Commission shall consist of commissioners appointed by the appropriate appointing authority in each state pursuant to the rules and requirements of each compacting state and in consultation with the State Council for Interstate Juvenile Supervision created hereunder. The commissioner shall be the compact administrator, deputy compact administrator or designee from that state who shall serve on the Interstate Commission in such capacity under or pursuant to the applicable law of the compacting state.

(C) In addition to the commissioners who are the voting representatives of each state, the Interstate Commission shall include individuals who are not commissioners, but who are members of interested organizations. Such non-commissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, Interstate Compact for Adult Offender Supervision, Interstate Compact for the Placement of Children, juvenile justice and juvenile corrections officials, and crime victims. All non-commissioner members of the Interstate Commission shall be ex-officio (non-voting) members. The Interstate Commission may provide in its by-laws for such additional ex-officio (non-voting) members, including members of other national organizations, in such numbers as shall be determined by the commission.

(D) Each compacting state represented at any meeting of the commission is entitled to one vote. A majority of the compacting states shall constitute a quorum for the transaction of business, unless a larger quorum is required by the by-laws of the Interstate Commission.

(E) The commission shall meet at least once each calendar year. The chairperson may call additional meetings and, upon the request of a simple majority of the compacting states, shall call additional meetings. Public notice shall be given of all meetings and meetings shall be open to the public.

(F) The Interstate Commission shall establish an executive committee, which shall include commission officers, members, and others as determined by the by-laws. The executive committee shall have the power to act on behalf of the Interstate Commission during periods when the Interstate Commission is not in session, with the exception of rulemaking and/or amendment to the compact. The executive committee shall oversee the day-to-day activities of the administration of the compact managed by an executive director and Interstate Commission staff; administers enforcement and compliance with the provisions of the compact, its by-laws and rules, and performs such other duties as directed by the Interstate Commission or set forth in the by-laws.

(G) Each member of the Interstate Commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the Interstate Commission. A member shall vote in person and shall not delegate a vote to another compacting state. However, a commissioner, in consultation with the state council, shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the compacting state at a specified meeting. The by-laws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication.

(H) The Interstate Commission's by-laws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

(I) Public notice shall be given of all meetings and all meetings shall be open to the public, except as set forth in the Rules or as otherwise provided in the Compact. (2) Disclose matters specifically exempted from disclosure by statute;

- (3) Disclose trade secrets or commercial or financial information which is privileged or confidential;
- (4) Involve accusing any person of a crime, or formally censuring any person;

- (6) Disclose investigative records compiled for law enforcement purposes;
- (7) Disclose information contained in or related to examination, operating or condition reports prepared by, or on behalf of, or for the use of, the Interstate Commission with respect to a regulated person or entity for the purpose of regulation or supervision of such person or entity;
- (8) Disclose information, the premature disclosure of which would significantly endanger the stability of a regulated person or entity; or
- (9) Specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or other legal proceeding.

(J) For every meeting closed pursuant to this provision, the Interstate Commission's legal counsel shall publicly certify that, in the legal counsel's opinion, the meeting may be closed to the public, and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken, and the reasons therefore, including a description of each of the views expressed on any item and the record of any roll call vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(K) The Interstate Commission shall collect standardized data concerning the interstate movement of juveniles as directed through its rules which shall specify the data to be collected, the means of collection and data exchange and reporting requirements. Such methods of data collection, exchange and reporting shall insofar as is reasonably possible conform to up-to-date technology and coordinate its information functions with the appropriate repository of records.

## ARTICLE IV.

The commission shall have the following powers and duties:

- (1) To provide for dispute resolution among compacting states.
- (2) To promulgate rules to effect the purposes and obligations as enumerated in this compact, which shall have the force and effect of statutory law and shall be binding in the compacting states to the extent and in the manner provided in this compact.
- (3) To oversee, supervise, and coordinate the interstate movement of juveniles subject to the terms of this compact and any by-laws adopted and rules promulgated by the Interstate Commission.
- (4) To enforce compliance with the compact provisions, the rules promulgated by the Interstate Commission, and the by-laws, using all necessary and proper means, including but not limited to the use of judicial process.

### Section C. Qualified Immunity, Defense and Indemnification

(1) The Commission's executive director and employees shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided, that any such person shall not be protected from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

(2) The liability of any commissioner, or the employee or agent of a commissioner, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. (A) The Interstate Commission shall promulgate and publish rules in order to effectively and efficiently achieve the purposes of the compact.

(B) Rulemaking shall occur pursuant to the criteria set forth in this article and the by-laws and rules adopted pursuant thereto. Such rulemaking shall substantially conform to the principles of the "Model State Administrative Procedures Act," 1981 Act, Uniform Laws Annotated, Vol. 15, p.1 (2000), or such other administrative procedures act, as the Interstate Commission deems appropriate consistent with due process requirements under the U.S. Constitution as now or hereafter interpreted by the U. If the court finds that the Interstate Commission's action is not supported by substantial evidence in the rulemaking record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the Model State Administrative Procedures Act.

(E) If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that such rule shall have no further force and effect in any compacting state.

(5) Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

### Section C. Judicial Enforcement

The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its offices, to enforce compliance with the provisions of the compact, its duly promulgated rules and by-laws, against any compacting state in default. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation including reasonable attorneys fees.

### Section D. Dissolution of Compact

(1) The compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the compact to one compacting state.

(2) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and any surplus funds shall be distributed in accordance with the by-laws.

## ARTICLE XII.

(C) Names and addresses of individuals, other than officials, employees, or agents of agencies receiving or investigating a report of abuse or treating a child or family which is the subject of a report, shall be deleted from any information released pursuant to this subsection unless the court determines that having the names and addresses open for review is essential to the research and the child, through his or her representative, gives permission to release the information.

(3) Notwithstanding the provisions of this subsection, access to the child abuse registry created pursuant to Article 8 of this chapter shall not be permitted except as allowed by Article 8 of this chapter.

(B) Any other person whose life or safety has been determined by the department or agency likely to be endangered if the identity were not so protected;

(8) An employee of a school or employee of a child welfare agency, as defined in Code Section 49-5-12, against whom allegations of child abuse have been made, when the department has been unable to determine the extent of the employee's involvement in alleged child abuse against any child in the care of that school or agency. A department or agency shall respond to a request for access to a child's

record within 14 days of receipt of such written request. Any child-caring agency, child-placing agency, or identified foster parent who is granted access to a child's record shall be subject to the penalties imposed by Code Section 49-5-44 for unauthorized access to or use of such records. Such record shall include reports of abuse of such child and the social history of the child and the child's family, the medical history of such child, including psychological or psychiatric evaluations, or educational records as allowed by state or federal law and any plan of care or placement plan developed by the department, provided that no identifying information is disclosed regarding such child.

(e)(1) Except as provided in paragraph (2) of this subsection and notwithstanding any other provisions of law, child abuse and dependency records shall not be confidential and shall be subject to Article 4 of Chapter 18 of Title 50 if the records are applicable to a child who at the time of his or her fatality or near fatality was:

- (A) In the custody of a state department or agency or in the care of a foster parent;
- (B) A child as defined in paragraph (3) of Code Section 15-11-741; or
- (C) The subject of an investigation, report, referral, or complaint under Code Section 15-11-743.

(2) The following may be redacted from such records:

- (A) Medical and mental health records made confidential by other provisions of law;
- (B) Privileged communications of an attorney;
- (C) The identifying information of a person who reported suspected child abuse;
- (D) The name of a child who suffered a near fatality;
- (E) The name of any sibling of the child who suffered the fatality or near fatality; and
- (F) Any record of law enforcement or prosecution agencies in any pending investigation or prosecution of criminal activity contained within the child abuse, neglect, or dependency records.

(3) Upon the release of documents pursuant to this subsection, the department may comment publicly on the case. (Ga. L. 1975, p. 1135, § 2; Ga. L. 1990, p. 1778, § 2; Ga. **The 2014 amendments**, effective July 1, 2014, rewrote subsections (a) and (e); and at the end of paragraph (c)(5), substituted “a protocol committee, as such term

is defined in Code Section 19-15-1” for “a county child abuse protocol committee or task force.”

## JUDICIAL DECISIONS

**Court’s failure to provide access to records.** — Although the trial court considered the records of the Department of Family and Children Services in reaching the court’s verdict, the court erred in declining to provide access to the records,

erroneously believing that the parties had to request that the records be admitted into evidence or be included in the record. *Donohoe v. Donohoe*, 323 Ga. App. 473, 746 S.E.2d 185 (2013).

## COMMUNITY CARE AND SERVICES FOR THE ELDERLY

**49-6-62. Establishment of community care unit; provision of services; annual service plan; implementation plan; annual progress report; fees and contributions; funding.**

(a) The department shall establish a community care unit within the aging section. The community care unit shall plan and oversee implementation of a system of coordinated community care and support services for the elderly. The community care unit shall develop uniform assessment criteria that shall be used to determine an individual's functional impairment and to evaluate on a periodic basis the individual's need for community support services or institutionalized long-term care. The community care unit shall also define each community care service and establish standards for the delivery of community care services. Where appropriate, the community care unit shall utilize existing standards and definitions.

(b) The department shall designate specified geographic service areas which shall be defined in such a way as to ensure the efficient delivery of community care services.

(c) The department shall contract with a lead agency to coordinate and provide community care services within each specified geographic service area.

(d) Each lead agency shall annually submit to the community care unit for approval a service plan evaluating the community care needs of the functionally impaired elderly, identifying priority services and target client groups, and detailing the means by which community care services will be delivered for the service area of that agency. The plan shall also include projected program costs and fees to be charged for services. The lead agency may exclude from the service plan those individuals eligible for benefits under the "Georgia Medical Assistance Act of 1977," as amended, for whom there is a reasonable expectation that community based services would be more expensive than services the individual would otherwise receive which would have been reimbursable under the "Georgia Medical Assistance Act of 1977," as amended.

(e) The department shall develop a plan which shall provide for the implementation of a community care system in each of the specified geographic service areas by July 1, 1985. The three-year plan shall be developed concurrent with and integrated into the state plan on aging required under the Older Americans Act of 1965 and shall provide for

coordination of all community based services for the elderly. The three-year plan shall include an inventory of existing services and an analysis comparing the cost of institutional long-term care and the cost of community care and other community based services for the elderly. The multiyear plan shall be presented to the Board of Human Services no later than July 31, 1983.

(f) At the end of the three-year implementation period an annual community care service plan shall be incorporated into the state plan on aging.

(g) The department shall submit on January 1 of each year, beginning in 1984, a progress report on the implementation of the plan required by subsection (e) of this Code section to the Speaker of the House of Representatives, the Senate Committee on Assignments, the chairman of the House Committee on Health and Human Services, and the chairman of the Senate Health and Human Services Committee.

(h) In accordance with rules promulgated by the department, lead agencies may collect fees for community care case management and other services. Such fees shall be established on a sliding scale based upon income and economic need. Fees will not be charged those individuals for the mandatory assessment described in subsection (e) of Code Section 49-6-63. Lead agencies may accept contributions of money or contributions in kind from functionally impaired elderly persons, members of their families, or other interested persons or organizations. Such contributions may not be a condition of services and shall only be used to further the provision of community care services.

(i) Funding for services under this article shall be in addition to and not in lieu of funding for existing community services for the elderly. The department and the lead agency shall ensure that all other funding sources available, including reimbursement under the "Georgia Medical Assistance Act of 1977" and the Older Americans Act of 1965, have been used prior to utilizing state funds for community care for the elderly. (Code 1933, § 88-1903D, enacted by Ga. L. 1982, p. 2248, § 1; Code 1981, § 49-6-62, enacted by Ga. L. 1982, p. 2248, § 4; Ga. L. 1983, p. 3, § 38; Ga. L. 1984, p. 22, § 49; Ga. L. 2014, p. 866, § 49/SB 340.)

**The 2014 amendment**, effective April 29, 2014, part of an Act to revise, modernize, and correct the Code, revised punctuation in subsection (g).

**ARTICLE 7**  
**LICENSURE OF ADULT DAY CENTER**

**49-6-86. Reasonable fees for licensure of adult day centers; use of fees.**

The department shall be authorized to charge reasonable application fees, license fees, renewal fees, or other similar fees relating to the licensure of adult day centers in an amount established by the board pursuant to rules and regulations. The board shall take into consideration input from consumers, providers of adult day health services, and advocates during the rulemaking process to establish such fees. If so appropriated by the General Assembly, the fees shall be used to support the licensing, inspecting, and monitoring of adult day centers. Fees may be refunded by the department for good cause, as determined by the department. (Code 1981, § 49-6-86, enacted by Ga. L. 2007, p. 348, § 2/HB 505.)

**Effective date.** — This Code section became effective July 1, 2014.

#### ARTICLE 1 GENERAL PROVISIONS

##### **50-7-17. New Georgia Foundation for Tourism; definitions; marketing program.**

(a) **Statement of policy and short title.** The General Assembly finds that it is in the state's interest to present a cohesive and vibrant message for the promotion of tourism in Georgia. This Code section, therefore, shall be known and may be cited as the "New Georgia Foundation for Tourism Act."

(b) **Definitions.** As used in this Code section, the term:

(1) "Agency" means any officer, board, department, agency, commission, bureau, authority, public corporation, instrumentality, or other entity of state government when engaged in an activity conducive to marketing which promotes tourism.

(2) "Coordinate" and "coordination" include issuing rules, policies, standards, definitions, specifications, coordination, and other guidance and direction.

(3) "Department" means the Department of Economic Development.

(4) "Implement" and "implementation" include planning, writing, drafting, designing, study, and market analysis; solicitation and acceptance of gifts, contributions, and cooperation; contracting, procurement, retention of consultants, outsourcing, similar activities, and other activities within the ordinary meaning of the term in this context.

(5) "Market" and "marketing" include promotion, advertising, signage, public relations, press relations, branding, and use of a "look"; creation, use, and licensing of trademark, copyright, and other intellectual property; discounts; and other activities of similar nature or within the term as it is commonly understood.

**(c) Establishment of State-wide Tourism Marketing Program.**

(1) **Generally.** For promotion of tourism in Georgia, the department may establish, implement, and provide for implementing a State-wide Tourism Marketing Program, with common and consistent features for implementation by the department and agencies. Within the State-wide Tourism Marketing Program, the department may establish or authorize various themes and component programs, but such themes and component programs must have common and consistent features with the State-wide Tourism Market Program.

(2) **Emphases.** As important and substantial components of the State-wide Tourism Marketing Program, the department will place particular emphasis on branding and on the state's great heritage and culture.

(3) **Sharing of powers.** In marketing and implementation of marketing for tourism, the department may exercise its powers under paragraphs (9) and (11) of Code Section 50-7-8 and may authorize and delegate to agencies all or parts of such powers for their own implementation.

**(d) Coordination.**

(1) **Generally.** The department will implement the State-wide Tourism Marketing Program and will also coordinate its implementation by individual agencies.

(2) **Delegation and agency retention.** The department may delegate marketing implementation activities to agencies in promotion of tourism and may allow agencies to retain marketing and implementation activities in the course of its coordination. The department will coordinate agencies such that they retain a measure of independence and freedom of action in marketing their own specific activities and functions, consistently with the State-wide Tourism Marketing Program.

(3) **Cooperation.** In addition to the specific administrative instructions of this Code section, the department, the Georgia Technology Authority, the Department of Administrative Services, and agencies and other departments and state authorities will assist and cooperate with one another for the purposes of this Code section.

(4) **Budget.** The department may establish an annual budget covering all the costs of establishing and implementing the State-wide Tourism Marketing Program and determine an equitable basis for prorating all or part of the annual costs among the agencies, subject to approval by the Governor. Upon approval, the Governor may direct that the necessary pro rata share of the agencies assessed

be made available for expenditure by the department in the same manner as appropriated funds.

(5) **Exclusion from APA.** Coordination of marketing and implementation of marketing for promotion of tourism will not be subject to the "Georgia Administrative Procedure Act," Article 1 of Chapter 13 of Title 50.

(6) **Agency publications.** Without limitation, the department may determine when the publication of official reports and similar documents, and the production of similar material in other media (such as film, video, sound, and other electronic forms) are deemed conducive to promoting tourism. Agencies will then publish or produce such material and information using themes, a "look," and other marketing elements promulgated by the department for the State-wide Tourism Marketing Program.

(e) **Georgia Tourism Foundation.**

(1) **Establishment.** There is hereby established the Georgia Tourism Foundation, existing as a public corporation and instrumentality of the state, exclusively limited to the following charitable and public purposes and powers:

(A) To solicit and accept contributions of money and in-kind contributions of services and property for the State-wide Tourism Marketing Program;

(B) To make and disburse contributions to the department for such purposes;

(C) To seek recognition of tax exempt status by the United States Internal Revenue Service and to seek confirmation concerning the deductibility of contributions;

(D) To formulate recommendations for the State-wide Tourism Marketing Program;

(E) Subject to approval of the Governor, to create subsidiaries with like character and powers but with limited missions keyed to particular component programs and activities of the department's State-wide Tourism Marketing Program; and

(F) To provide for additional officers and governance through bylaws which are consistent with the goals of lessening the government burden in promoting tourism, establishing and maintaining tax exempt status, and soliciting deductible contributions.

(2) **Members.** The governance of the Georgia Tourism Foundation shall be in members, consisting of not less than nine nor more than 20 members, appointed by the Governor. Members shall always

include at least three members of the Board of Economic Development, together with such other members as appointed by the Governor. Service by a member of the Board of Economic Development as a member of the Georgia Tourism Foundation shall not constitute a conflict of interest. A member of the Georgia Tourism Foundation who is a member of the Board of Economic Development shall serve as the chairperson of the Georgia Tourism Foundation and shall be elected by the members of the Georgia Tourism Foundation. In no event shall members of the Board of Economic Development comprise more than one-third of the members of the Georgia Tourism Foundation. The Georgia Tourism Foundation shall be authorized to fix the precise number of members, within the minimum and maximum numbers, by resolution adopted from time to time at a meeting of the Georgia Tourism Foundation by a majority of all the members of the Georgia Tourism Foundation. No member shall be individually liable for the acts or omissions to act by the foundation.

(3) **Administration.** The Georgia Tourism Foundation shall be attached to the department for administrative purposes. The Attorney General shall be the attorney for the foundation. The department may solicit and accept contributions from the foundation and authorize agencies to do so. The department may cooperate and contract with the foundation for their mutual benefit and authorize agencies to do so. Upon any dissolution of the foundation, its assets will devolve in trust to the department or its successor for use only for marketing to promote tourism for Georgia.

(4) **Public purpose.** The creation of the Georgia Tourism Foundation and the carrying out of its corporate purposes are in all respects for the benefit of the people of this state and constitute a public and charitable purpose. Further, the foundation will be performing an essential governmental function in the exercise of the powers conferred upon it by this Code section. Accordingly, the foundation shall not be subject to taxation or assessment in any manner, including without limitation taxation or assessment upon any transaction, income, money, or other property or activity. The exemptions granted in this Code section shall not be extended to any private person or entity. (Code 1981, § 50-7-17, enacted by Ga. L. 2005, p. 306, § 1/SB 125; Ga. L. 2006, p. 72, § 50/SB 465; Ga. L. 2013, p. 685, § 1/SB 177; Ga. L. 2014, p. 866, § 50/SB 340.)

**The 2014 amendment**, effective April 29, 2014, part of an Act to revise, modernize, and correct the Code, substituted

“Board of Economic Development” for “Board of Development” in the fourth sentence of paragraph (e)(2).

### ARTICLE 1

#### GENERAL PROVISIONS

**50-8-18. Energy efficient construction of major state-funded facility projects; short title; legislative findings; “major facility project” defined.**

(a) This Code section shall be known and may be cited as the “Energy Efficiency and Sustainable Construction Act of 2008.”

(b) The General Assembly finds that the welfare of this state is enhanced by the promotion of effective energy and environmental standards for construction, rehabilitation, and maintenance of state-funded facilities and that such standards in turn improve this state’s capacity to design, build, and operate high-performance buildings, contributing to economic growth, promoting job development, and increasing energy conservation.

(c) For purposes of this Code section, “major facility project” means a state-funded:

(1) New construction building project of a building exceeding 10,000 square feet;

(2) A renovation project that is more than 50 percent of the replacement value, as determined by the Department of Administrative Services Risk Management Division, of the facility, a change in occupancy, or any roof replacement project exceeding 10,000 square feet; or

(3) A commercial interior tenant fit-out project exceeding 10,000 square feet of leasable area where the state is intended to be the lessor of such property.

A major facility project shall not include a building, regardless of size, that does not have conditioned space as defined by the American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE) and shall not include a state owned building that is on the historical registry or any local, county, or municipal building.

(d) Consistent with the intent of this Code section, the department, in consultation with the Georgia State Financing and Investment Commission, shall adopt policies and procedures as recommended standards for all buildings owned or managed by this state that:

(1) Optimize the energy performance;

(2) Increase the demand for construction materials and furnishings produced in Georgia;

(3) Improve the environmental quality in this state by decreasing the discharge of pollutants from such state buildings;

(4) Conserve energy and utilize local and renewable energy sources;

(5) Protect and restore this state's natural resources by avoiding the development of inappropriate building sites;

(6) Reduce the burden on municipal water supply and treatment by reducing potable water consumption;

(7) Establish life cycle assessments as the appropriate and most efficient analysis to determine a building project's environmental performance level; and

(8) Encourage obtaining Energy Star designation from the United States Environmental Protection Agency to further demonstrate a building project's energy independence.

(e) All major facility projects may be designed, constructed, and commissioned or modeled to exceed the standards set forth in ASHRAE 90.1.2004 by 30 percent where it is determined by the department that such 30 percent efficiency is cost effective based on a life cycle cost analysis with a payback at no more than ten years. Commissioning or modeling must be performed by a professional engineer, design professional, or commissioning agent using software methodology approved by the Internal Revenue Service, the Department of Energy, current ASHRAE standards, or other similar methodology. For all major renovation projects, such requirements shall apply to the specific building assemblies, envelope components, and equipment involved in the project.

(f) All major facility projects shall be designed, constructed, and commissioned or modeled to achieve a 15 percent reduction in water use

when compared to water use based on plumbing fixture selection in accordance with the Energy Policy Act of 1992.

(g) To achieve sustainable building standards, construction projects may utilize a nationally recognized high performance energy modeling and environmental building rating system; provided, however, that any such rating system that uses a material or product based credit system that operates to the detriment of materials or products manufactured or produced in Georgia shall not be utilized. The department shall designate rating systems that meet these criteria and is authorized to establish its own alternative rating system. All major facility projects shall include Georgia products such that not less than 10 percent of all building materials used in a project are harvested, extracted, or manufactured in the State of Georgia where such products are commercially available in a manner consistent with the purposes of this Code section.
